

Fact Sheet

MACC currently serves over 250,000 people annually at nearly 1,800 events, with an annual budget of \$6.1 million. Operating at near capacity, The Center began a Campaign to enhance its facilities and strengthen its endowment to increase its earned income potential and its services.

Though the MACC successfully surpassed its original campaign goal, and completed the first two stages of construction, rapidly escalating construction costs have increased estimates for the third and final stage from \$9 million to \$12.8 million.

The campaign goal to “Complete Pundy’s Dream” is \$4 million. Plans include:

- Building a pavilion over Yokouchi Founders’ Court and A&B Amphitheater stage.
- Upgrading the food and beverage service capabilities.
- Develop new 3500-sq-ft event space overlooking Founders’ Court
- Adding Pā infrastructure.
- Expanding parking and enhancing landscaping.
- Developing a special events lawn in the open space between the Theaters. **(In Process)**

The original Campaign, *a Gift for Generations to Come*, brought the following improvements to the MACC:

- Developing new hospitality courtyard, office, and meeting space. **(Completed)**
- Technically enhancing the Theaters and Gallery. **(Completed)**
- Building a centralized box office. **(Completed)**
- Reconfiguring the education complex. **(Completed)**
- Strengthening endowment funds to support education programs, performances, exhibitions, and host and multi-cultural activities. **(In Process)**
